BARCELONA · 1952

Lanco Toys is a family business founded in Barcelona in 1952 by Alfredo benet. our company is the oldest European manufacturer of 100% Natural Rubber toys, with a unique expertise in the market. Biodegradable and 100% free of PVC, BPA, Nitrosamines and Phthalates. In terms of producing, we like to stick to our artisanal origins: each toy is manually shaped, polished and hand-painted, resulting in a unique and unrepeatable article.

ECO FRIENDLY

Our production system and materials respond to an ecologic and environmentally friendly mindset, resulting in an organic product completely natural and biodegradable. Exclusivley made out of hevea Brasilensis tree's sap, our toys are free of any toxic components and hence completely safe to chew and mouth.

ORGANIC

Our products are made of Hevea Brasilensis tree's sap whuch results in Malaysian Latex of outstanding quality Latex is a completely natural amterial that provides our toys with flexibility, a very soft texture and long durability.

PVC & BPA FREE

Our toys are Free of Nitrosamines, Phthalates, BBP, DBP and DEHP. We use Food-grade dyes to decorate. Hence, our toys are completely safe to chew and mouth.

HANDICRAFT

At lanco we cover the entire production chain of rubber toys since 1952 having developed a unique know-how in the market. Our experienced artisans work on our toy shaping, refining and decorating are carried out manually. Each and every single toy is unique and unrepeatable, fruit of a purely artisanal work.

SOCIAL RESPONSABILITY

At lanco we cover the entire production chain of rubber toys since 1952 having developed a unique know-how in the market. Our experienced artisans work on our toy shaping, refining and decorating are carried out manually. Each and every single toy is unique and unrepeatable, fruit of a purely artisanal work.
