Safari Friends

The sun hangs low, and the grass turns golden beneath tiny feet.
A warm breeze carries a thousand new scents.
Soft earth, dry sand, something wild.
This is Safari: a world that feels new, yet safe.
Calm, yet full of adventure.

All your new friends live here. The brave lion, the gentle giraffe,
and more.

You'll spot them in every detail: an embroidery, a little label,
the woven fabrics, soft teddy textures, and warm earthy tones.
They all echo the spirit of the savannah.

We believe childhood is made for moving, exploring, and playing.
The Safari Collection is made for just that. Clothes that let little ones
run, climb, and discover.
Easy to mix and match, always comfortable. And ready for adventure.

Because one thing is certain:
Inside every child is an adventurer.

Take a look at our new Safari Friends Clothing Collection.

sustainability and safety

Sustainability and safety are very important to us. That's why most of our products are made of organic cotton. Other products are made of recycled polyester or natural materials like viscose or lyocell.

Oeko-Tex

We believe it is important to deliver high-quality, safe products. That's why all of our clothing items are OEKO-TEX certified. OEKO-TEX is a health label for textiles, referring to the safety of the fabrics and other materials used.

If a product has the OEKO-TEX STANDARD 100 label, you can rest assured that every last part of this product, every single thread, button or other accessory, was tested for harmful substances and found harmless to human health.

about our brand

'Enjoy the little things'

It's the little moments in daily life that bring us true happiness - seeing a smile on a child's face, a newborn sleeping peacefully, enjoying a cosy family dinner, or playing with your children. It might be a nursery that feels warm and comforting, or a care product you genuinely love using.

Little Dutch encourages children and their parents to enjoy the little things in life. We're all about love and family. Everyday rituals and unexpected adventures - from playing and sleeping to caring and having fun.
