newest summer collection

Every summer needs a memorable story. Ours starts at the water's edge with Lion, Flamingo, Crocodile, and the rest of the Safari Friends making their way to the beach for the very first time.

Our SS27 Safari Swim collection was built around that journey. A range designed for families who want to spend the summer outside, without having to think twice about what their little one is wearing. From swimsuits with UPF 50+ sun protection and coordinating sun hats, to bath ponchos in 100% organic cotton, every piece has been developed with care and attention to practical details - making life easier for parents.

And then there is the hidden surprise. One of our boys swim shorts and hat carry a secret print that only appears the moment they hit the water! This is the kind of detail that makes getting dressed part of the adventure.

It is a collection that works hard on the shop floor and travels beautifully to the beach. We hope it brings something special to your summer range.

newest swim collection girls

Our girls' swimwear collection brings everything together for sunny days full of joy. Four signature prints - Flamingo, Wild Blossoms, Sunny Blossoms and Meadow Dreams - flow through the entire range, from swimsuits and bikinis to swim diapers, hats, beach shoes, towels, bags and toys, all coming together in one cohesive story. All swimwear is CE certified with UPF protection.

Long sleeves offer extra coverage; short sleeves feel light and easy. Soft waffle and smooth fabrics ensure a comfortable fit throughout the day. Smart details make life easier: long zips allow for quick dressing, snap buttons keep wet hair from catching, and additional snap closures on smaller sizes make changing simple without removing the whole suit. Playful ruffles and a hint of glitter give the collection its cheerful character.

Everything is designed to mix and match, making it easy to put together a complete look.
