newest clothing collection

Every collection tells a story. Ours begins on a sunlit safari, where curious explorers discover the world around them, step by step.

SS27 is built around that sense of discovery: a well-balanced, accessible range that brings together comfort, consistency and strong commercial appeal.

Recognisable themes and cohesive prints create a clear, confident presentation on the shop floor.

For girls, soft silhouettes, airy fabrics and playful details come together in a harmonious mix. Ruffles, subtle textures and delicate finishes add character, while comfortable qualities ensure freedom of movement throughout the day.

The boys' collection translates the safari theme into a fresh, versatile wardrobe. Easy-to-combine pieces, playful prints and calm essentials offer a practical, polished look that supports effortless styling. For the smallest ones, the newborn collection brings softness and refinement into a cohesive assortment.

Gentle fabrics, thoughtful details and easy-to-wear shapes make it ideal for everyday moments.

Every piece is made from organic cotton and Oeko-Tex certified, designed for daily use and easy combinations.

newest clothing collection

This summer toddler collection for girls is built for real play: comfortable, combinable, and full of character. It is built around three prints, Safari Blooming Days, Sunshine Stripes, and Sandy Stripes, to create a cohesive and recognisable look.

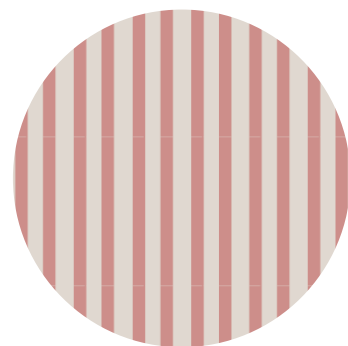

Airy T-shirts form the base of this collection, enriched with soft ruffles, playful shoulders and 3D flowers. Comfortable crinkle fabrics and soft qualities with stretch give freedom of movement, while embroideries, stripes and subtle animal prints give each piece its own personality. Tops in muslin, denim and romantic broderie add variety, finished with wood-look buttons and floral embroidery. For cooler moments, a sweater, cardigan and reversible jacket complete the range. Trousers, shorts, dresses and a playsuit in crinkle, muslin and denim follow every movement, with elastic waistbands and playful ruffled and floral finishes. A skirt, socks and matching accessories round off the collection.

Every piece is made from organic cotton and Oeko-Tex certified, designed for daily wear and effortlessly easy to mix and match

sustainability and safety

Sustainability and safety are very important to us. That's why most of our products are made of organic cotton. Other products are made of recycled polyester or natural materials like viscose or lyocell.

Oeko-Tex

We believe it is important to deliver high-quality, safe products. That's why all of our clothing items are OEKO-TEX certified. OEKO-TEX is a health label for textiles, referring to the safety of the fabrics and other materials used.

If a product has the OEKO-TEX STANDARD 100 label, you can rest assured that every last part of this product, every single thread, button or other accessory, was tested for harmful substances and found harmless to human health.
